ASSIGNMENT

WHEREAS, I, B. J. Anderson of 7764 Church Rd. Westford, Pa. 16134,
Paul Bluman of 146 3320 N.W. CANTON, OHIO 44720,
and Curt Braden of 353 Briar Ave NE N.CANTON, OHIO 44720,
have invented certain improvements in PIGMENT DISPERSANT SYSTEM AND METHOD FOR
PIGMENT GRINDING and described in a patent application executed the 9ⁿ day of
December, 2003, by the undersigned for filing in The United States of America, being
owner of all right, title and interest in and to said application and in and to any invention
described therein and having full right to convey the entire interest both legal and equitable
herein assigned; and

WHEREAS, ABB Technical Coatings, LTD, of P. O. Box 3058, North Canton, Ohio
44720, a corporation of the State of Ohio (assignee) is desirous of acquiring the entire right, title
and interest in and to said application and said invention described therein and any and all patents
to be obtained therefore, all as hereinafter set forth:

NOW, THEREFORE, in consideration of good and valuable consideration received by
the undersigned, the undersigned does hereby sell, assign, transfer and set over unto said
assignee, its successors and assigns, the entire right, title and interest in and to said invention or
inventions, as described in the aforesaid application, in any form or embodiment thereof, and in
and to the aforesaid application; and in and to any application filed in any foreign country based
thereon, including the right to file said foreign applications under the provisions of the
International Convention; also the entire right, title and interest in and to any and all patents or
reissues or extensions thereof to be obtained in this or any foreign country upon said invention or
inventions and any divisional, continuation, continuation-in-part or substitute applications which
may be filed upon said invention or inventions in this or any foreign country; and the
undersigned hereby authorizes and requests the issuing authority to issue any and all patents on
said application or applications to said assignee or its successors and assigns.

The undersigned further agrees to execute all divisional, continuing, substitute,
improvement, extension, reissue and other patent applications in this or any foreign country
relating to said application or invention and to sign all other lawful papers and to perform all
other lawful acts without further consideration, but without expense to myself, which the
assignee may deem necessary or desirable to make this Assignment fully effective including by
way of example, but not of limitation, the following acts:

- (1) Prompt execution of all lawful oaths, affidavits and/or supplemental oaths required or
deemed advisable by the assignee to further the prosecution of any application or
applications for letters patent relating to the subject matter of this Assignment;
- (2) To co-operate to the best of my ability in the execution of all lawful documents, the
production of evidence, and the giving of testimony in interference, opposition,
nullification or infringement proceedings involving the said invention or improvement,
applications or patents or any of them.

The undersigned hereby authorizes said assignee to insert in this Assignment the serial number and filing date of the above-identified application when known.

IN WITNESS WHEREOF, the undersigned has hereunto set his hand and seal on the date set after his signature.
